Forecast For East of England
Issued by Met Office Exeter
at 1600 on Tuesday 09 Feb 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Very cold with snow showers, but less windy on Wednesday.

This Evening and Tonight:
Most parts will continue to see snow showers at times, especially across Norfolk, but these becoming more isolated further west with some clear spells. Brisk north-easterly winds will remain strong near coasts. Minimum temperature -4 deg C (25 deg F).

Wednesday:
Snow showers continuing through Wednesday, but becoming more isolated away from coastal areas. Some bright or sunny spells, and winds tending to ease, but still feeling very cold. Maximum temperature 2 deg C (36 deg F).

Outlook for Thursday to Saturday:
Drier and brighter during Thursday with mostly light winds. Cloudier through Friday and Saturday with freshening southeast winds, and perhaps some coastal snow showers on Friday. Staying very cold.
